Prezado Professor de Holanda,

Once again let me thank you for visiting our campus and speaking with us during your trip to the United States. For me it was a great pleasure to meet you. I know also that the students were delighted to have had the same opportunity as well as to have listened to your informal and informative discussion on April 6th.

We hope that on your next visit to the United States you will come to Los Angeles again, this time devoting more of your time to our campus where you will always be welcome.

Um abraço de
